AN ACT to amend Tennessee Code Annotated, Title 7, Chapter 86, relative to emergency communications districts.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 7-86-108(a)(1)(B)(i), is amended by deleting the phrase "subscribers and users" from the third sentence of the second paragraph, and inserting instead the language "subscriber and user lines".

SECTION 2. Tennessee Code Annotated, Section 7-86-108(a)(1)(B)(ii), is amended by deleting the fourth sentence in its entirety and substituting instead the following language:

The commercial mobile radio service provider shall be authorized to demand payment from any service user who fails to pay any proper service charge, and may take legal action, if necessary, to collect the same from such service user, or may, in lieu thereof and without any liability whatsoever to such commercial mobile radio service provider for any losses or damages which result therefrom, terminate all service to such commercial mobile radio service user; provided, that any service user so terminated shall have the right to resume service from the commercial mobile radio service provider as long as the service user is otherwise

in compliance with the regulation of the commercial mobile radio service provider, upon full payment of all past-due service charges and any other costs or expenses, including reasonable interest, or normal costs or charges of the commercial mobile radio service provider for the resumption of service, incurred by the commercial mobile radio service provider as the result of any nonpayment.

Each commercial mobile radio service provider shall annually provide to the board an accounting of the amounts billed and collected and of the disposition of such amounts. Such accounting shall be subject to audit or review by the comptroller of the treasury.

SECTION 3. This act shall take effect upon becoming a law, the public welfare requiring it.
